VOTER ENGAGEMENT AND IDENTIFICATION (NATIONAL-LEVEL DATA)

- Voter contact continues to be an unmet need for AAPIs. In the 2022 Asian American Voter Survey, 56% of Asian Americans received no contact or were unsure if they received contact about the election from the Democratic party and 66% reported the same from the GOP.
- Among contacted Asian American registered voters, 44% reported contact by the Democratic Party from the same survey, 35% by the Republican Party, and 39% by community organizations. In comparison, the 2016 National Asian American Post-Election Survey shows 48% of AAPI voters reported contact from the Democratic party and 16% by the Republican party.
- There is also an opportunity for voter education through contact. In the 2022 survey of registered voters, 37% of Asian Americans did not declare an identification with either political party.
